Brownies Lose In Tie-Breaker

Brownies of Troop 308 of Appomattox trying for their fourth consecutive win on Kiddie College last Friday night were defeated by a tie-breaking question.

At the end of the last round of questions the local Brownies had tied with their opponents with a high score of 240 points each. And then came the question . . . "The hottest temperature ever recorded occured in Azizia, Libya on September 13, 1922. What was the temperature?" Our girls "guessed" 400° - their opponents guessed 190°. The correct answer was 136 ° and we wonder how many adults could have answered this question. We lost as the other team was closer to the correct answer, however the girls from the Brownie Troop brought home $75.00 in cash winnings.

A trip to the Luray Caverns and a cook-out for lunch on Saturday is planned for the entire trip and will be paid for with the money that was won on Kiddie College. Nice way to spend h day and to celebrate the excellent record set by the girls from Appomattox.

FFA Wins BOAC Award

The Appomattox County Future Farmers of America Chapter has been judged area winner of the 1974 Building Our American Communities program. The BOAC award is designed to stimulate interest in community improvement and provide a study-action program to help build future leaders of America.

Every member of the 180-member Appomattox County chapter participated in at least one activity to improve the community. The chapter worked with thirteen community groups in carrying out its objectives.

Some of the major projects completed were planning and conducting a children's park, beautifying school grounds, sponsoring a farmland park, and developing a state exhibit.

The record of the Appomat-

ACEA Held Final Meeting

The Appomattox County Education Association held its final meeting of the 1973-74 school year Tuesday afternoon, May 7 at the Appomattox Intermediate School. Retired Appomattox County teachers were special guests at the meeting during which a program of choral music was presented by the Appomattox Intermediate School advanced girls chorus under the direction of Mrs. Karen Gibson.

Mr. Lloyd Walton, Superintendent of County Schools, recognized Mrs. Susie Martin and Mr. Henry Pack upon their service and retirement from the school system. They received silver Paul Revere bowls.

Mrs. Ethel Evans, Mrs. Jean Hesson, and Mr. John Hudson were presented 25 year pins by Rev. R. Q. Lawing, outgoing association president. Mr. Eugene Peyton was the recipient of a plaque presented by the organization in recognition of his nine years of service to the school system. Mr. Peyton has accepted a position with the Montgomery County Schools.

Mr. Richard Carter installed the following association officers for 1974-75: Mr. Frank Coffey, President; Mrs. Jean Mills, President-Elect; Mrs. Betsy Keaton, Treasurer; and Mrs. Judy Blanton, Secretary. As stated by President Coffey, the association looks forward to a challenging and prosperous 1974-75 school year.

Legion Auxiliary Sets Poppy Days

On May 31st and on June 1st the American Legion Auxiliary Unit 104 will hold its annual Poppy Day sale.

These little red poppies are made by the veterans in our hospitals and they will receive the money for them. All money received by Unit 104 will be used for the sole purpose of benefiting the veterans of our country.

Buy a poppy and let the "VETS" know you care.

Attention Store Owners & Managers

There will be a shoplifting preventing class held on Tuesday, May 28th, at 7 p.m. at the Distributive Education building at Appomattox County High School sponsored by the DE/ ICT class.

Captain Caldwell of the Lynchburg City Police Department will be the instructor. A film will be shown concerning the shoplifting techniques and a question/answer period will also be held.

If you have questions or plan to attend, please contact Don Horne at 352-6242.

A Thank You To Donors

When the Red Cross made its last visit of the fiscal year to Appomattox on April 30th, 125 units of blood were needed in order for our county to maintain its 100% standing in the blood program. Only 108 units were donated at this time. Mrs. Lucy Harvey, chairman of the blood program in Appomattox, along with the Appomattox Junior Woman's Club would like to thank everyone who came out to donate both blood and volunteer time.

At this visit, Agnes Page Wilkerson received a four-gallon pin. Receiving one-gallon donor pins were Clyde L. Price, Marion T. Fore, Vera Page Pugh, and James A. Lewis. First time donors were Robert

Rescue Squad To Expand Building

Members of the Appomattox County Rescue Squad, meeting in regular session on Tuesday night, May 14th, voted to expend the existing building in order that the ambulance now housed in the basement may be stored on the first floor level and that other equipment may also be stored in a dry place.

The existing building is 30-feet across the front and plans are to add 26-feet on the front and extend 30-feet back thus making room for vehicle storage, storage of boat and motor and other equipment. Lockers for volunteers of the ACRS will be placed in the back of the addition.

The Appomattox County Rescue Squad has been saving toward this goal for the past three years and feel that now is the time to go ahead with the addition. Anderson and Stratton Construction Company of Appomattox was the low bidder on the proposed addition, the cost will be $8,200.00. Construction is set to begin by June 1, 1974.

No additional funds will be needed in order for this volunteer organization to expand as the necessary funds are available now. There will be the usual Annual Fund Drive in October in order to raise money needed for operating expenses. We are sure that the people of Appomattox County will give generously as always at this time because, after all, it is YOUR rescue squad - the volunteers only do their very best to serve the people in the best possible way.

Rummage Sale To Benefit Cobalt Machine

With their goal set at $1,000, the girls at the Appomattox Garment Company are well on their way to achieving this amount to be donated by them, in the name of a fellow employee who is the victim of cancer, toward the purchase of a cobalt machine being planned for installation at the Lynchburg General Hospital.

To add funds to this worthy cause, the girls from the Appomattox Garment Company are planning a rummage sale to be held on Saturday, May 25th, at the Appomattox Depot, courtesy of Mayor H. B. Pack, starting at 9 a.m.

In order to help do your part, you may want to donate items for sale. They will be most happy to get anything except pets as they can not handle them at the depot. Anyone wishing to contribute may carry any items they wish to give for the rummage sale to the Appomattox Garment Company Sewing Plant by Friday or bring them to the depot on Saturday morning. Your cooperation will be appreciated by the girls and will be used for a good cause.

The committee of five girls in charge of raising funds say they are confident that they will reach their goal of $1,000.00 at this sale on Saturday. Many friends have been very gener-

FALLING RIVER COUNTRY CLUB MEMBER GUEST TOURNAMENT JUNE 15-16

According to Floyd Fleshman, Jr., Chairman, F. R. C. C. Golf Activity Committee, the maximum of 60 teams has been reached, and registration is closed for the annual member-guest tournament scheduled for June 15-16. A register has been started for alternates and the committee urges anyone who find she will be unable to play to immediately notify any member of the committee so the alternates will have as much notice as possible to make arrangements with their guest.

Members who have signed the registers and did not complete all required information about the dance and/or carts, should do this right away. It would help the social committee if you would put a zero in the column under dance if you are not planning to attend.

The entry fee for each team will be $20 which will be billed to the member. This includes the dance. A register has also been posted for boys 13 years and under who would like to participate in the junior tournament. We will have more details on this at a later date. Questions about either of these events may be directed to Floyd Fleshman at 352-8049.

Taken Into WOW President's Club

Marvin J. House, Jr., FIC, of Appomattox, Va., field representative for the Woodmen of the World Life Insurance Society, has been welcomed into the very exclusive membership of the President's Club by national Woodmen President Ni[illegible] Newberry.

His membership in the Half-Millionaire section of the President's Club honors his top-rated performance in membership protection and service during 1973. Mr. House will be entitled to wear an olive green blazer and a crown emblem lapel pin inset with four emeralds, emblematic of his accomplishment.

Members of the Club will meet with the National President at the Sheraton Hotel in Boston, Mass., in June.

FIREMEN ASSIST WITH SEARCH

Volunteers of the Appomattox Fire Department received only one call during the week of May 13th. On Tuesday, May 14th, they sent one unit and 8 men to assist in the search of a missing person.

Music Festival Will Not Be Held In Appomattox

At the May 10th meeting of the Board of Supervisors of Appomattox County, Howard Wolfe, president of the Virginia String Music Association, appeared before the board to ask for a variance in the County Ordinance regarding music festivals or public gatherings of any kind. At this time the board voted not to grant a variance.

On May 14th, Howard Wolfe, by his attorney, filed with the Clerk of the Appomattox County Circuit Court a Writ of Mandamus. The Writ asking that the Appomattox County Circuit Court order John C. Caldwell, Commissioner of the Revenue, to issue a license to the Virginia String Music Association for the festival on May 24-27th. Judge Ernest Gates, Judge Designate, heard Mr. Wolfe's Writ on Thursday of last week in the Appomattox Circuit Court at 2 p.m. At this time, Judge Gates dismissed the action filed as the Code of Virginia states that written application for such an event must be made to the Commission of the Revenue and this had not been done.

On Tuesday of this week we were informed by Sam Kerr, Commonwealth Attorney for Appomattox County, that Howard Wolfe will not be coming to Appomattox but will have the festival at Waterlick Plaza in Lynchburg, Mr. and Mrs. Wade Ferguson, owners of the property that he planned to use for the Appomattox festival, refused to lease him their land and on both the state and local levels, Wolfe could not meet the requirements of the Health Department.

Lions Club

"Your Appomattox Referral Service - What Is It - What It Does" will be the program feature of the meeting of the Appomattox Lions Club tonight at 6:45 p.m. when the club meets at the Parkway Restaurant.

The Rev. Maury Peoples will be the guest speaker for the evening.

All members are urged to be present.

Memorial Service Set For May 26

The United Daughters of the Confederacy and the American Legion Post 104 will conduct a Memorial Service at the War Memorial on the Courthouse lawn at 3 p.m. on Sunday, May 26th. This service is a memorial to all those who served from this county and gave their lives in prior wars.

It is our patriotic duty to participate in this service and we hope you will plan to attend.

A special invitation is extended to relatives of all veterans.

Holiday Schedule For Post Offices

The Post Office in Appomattox and in Pamplin will be closed on May 27th, in observance of Memorial Day.

There will be no window service, no rural delivery, and mail will not be received nor dispatched on this day.

In the Town of Appomattox, special delivery mail will be delivered within the town limits.

Glaucoma Screening Held - Big Success

Mrs. Jeanne Stanley is shown above on table as Mrs. Margaret Shields, local nurse; and Dr. Remo Lotano, ophthalmologist from Lynchburg; do the tonometry test for glaucoma. Mrs. Stanley was the 300th person to be screened during the testing on Sunday afternoon.

The Appomattox Lions Club sponsored a glaucoma screening on Sunday afternoon, May 19, 1974, at the Appomattox County High School. Of the 308 people screened, 13 were referred for complete professional eye examinations for possible symptoms of glaucoma. An additional 33 were found to have low visual acuity and were advised to see an eye physician for complete diagnosis.

The screening was staffed entirely by volunteers trained by the Virginia Society for the Prevention of Blindness. The tonometry test for glaucoma was administered by volunteer ophthalmologists. The program had the approval of the local health and medical authorities.

The very successful program was under the direction of the Virginia Society for the Prevention of Blindness which will maintain contact with all persons referred for symptoms of glaucoma until results of complete examinations have been received. The test held Sunday was a screening, not a diagnosis. The Society recommends that everyone have a complete professional eye examination every two years.

It is estimated that 36,000 Virginians suffer from glaucoma, and most of them do not know it. Loss of vision from the disease is most often very gradual and painless, and sight lost to glaucoma cannot be restored.
